

Tork Heavy-Duty Cleaning Cloth

Industrial spaces call for durable cleaning cloths that can handle a range of tasks. These heavy-duty cleaning cloths effectively tackle oil and grease while protecting hands from heat and metal scraps. Promote sustainability and cut costs, too. We have lowered the CO2 emissions for Tork exelCLEAN® by 28% since 2011*, and exelCLEAN® technology reduces solvent use by up to 41%. Their single-sheet dispensing cuts wastage and the packaging is made from recycled materials for an extra eco-friendly boost. *(Life Cycle Analysis) LCA conducted by Essity and IVL Svenska Miljöinstitutet in April 2021

- Easily remove stubborn oil, grease and water marks in industrial environments and save time with these multipurpose cleaning cloths.
