h-Green, the sustainable range!

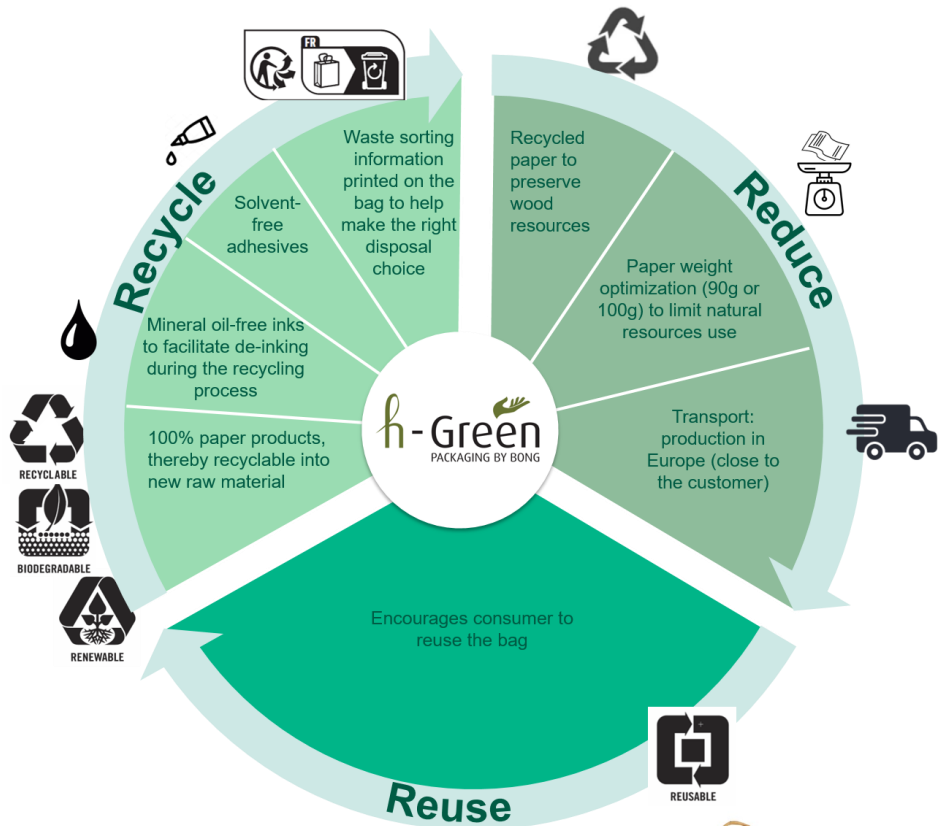

PACKAGING BY BONG

h-Green has been designed to limit its impact on the environment at each stage of the product's life cycle. It is made with recycled kraft paper, FSC® certified, resistant and 100% recyclable. The used inks are water-based and made with natural pigments, without mineral oils. The glues do not contain hazardous chemicals to facilitate recycling.

Specially designed for Retail business, this bag is available in 3 sizes: S, M and L. Each is available in 4 colors: white, red, black or ribbed brown.

h-Green is available from stock in our factories and can therefore be delivered quickly.

h-Green is customizable: we print your logo or visual identity in our factories.
