

Use of recycled content

ORIGINAL HP TONER CARTRIDGES

HP uses recycled plastic in the manufacture of Original HP Toner Cartridges

FOR MORE THAN 30 YEARS, WE'VE BEEN MAKING A DIFFERENCE TOGETHER.

Original HP Toner Cartridges have been engineered to incorporate recycled plastic and recovered material and still meet HP's demanding standards for quality and reliability. Recycled plastic from Original HP Toner Cartridges—returned by customers through the HP Planet Partners program—is combined with new plastic to create new Original HP Toner Cartridges.¹

In addition, HP calculates the amount of inherent recycled metal content in Original HP Toner Cartridges to determine the percentage of total recycled content.²

Join HP in the shift toward more sustainable printing by recycling your Original HP Toner Cartridges through the HP Planet Partners program, available in more than 60 countries and territories worldwide.³

This brochure lists the percentage of post-consumer recycled content as well as the percentage of total recycled content of Original HP Toner Cartridges and Samsung toner cartridges, including cartridges sold under contract and managed-as-a-service cartridges.

1. 100% of Original HP Toner Cartridges contain between 1-79% post-consumer or post-industrial recycled content. Does not include toner bottles or other products not listed.

2. HP complies with the Environmental Protection Agency's (EPA) Comprehensive Procurement Guidelines (CPGs): this representation is based on the use of materials and designated parts selectively recovered through HP's return and recycling program and/or the recovered content contained in aluminum and ferrous metal cartridge parts as determined using market-wide averages for recovered content for those metals. See EPA's Federal Register. [govinfo.gov/content/pkg/FR-1995-05-01/pdf/95-506.pdf](https://www.govinfo.gov/content/pkg/FR-1995-05-01/pdf/95-506.pdf).

3. Program availability varies. See hp.com/hprecycle.

4. The Recycled Content of Original HP Toner Cartridges data does not contain packaging information.
