Product Description:

The OX-ON Flexible Supreme 1604 is a top-class, waterproof all-round glove with a natural fit, good dexterity, flexible and superior durability. The perfect glove for plumbing, masonry or wastewater tasks. Well-designed and exclusive materials: Double nitrile coating to help provide full working comfort and safety. The inner blue coating keeps your hands dry. The outer black coating is sandy nitrile that ensures sublime grip in both wet and dry environments.

The knit is made of nylon and elastane for an elastic and extremely durable work glove.
