

# SUN-FLEX® UltraCharge

**SUN-FLEX**

Active Workplaces

## PRODUCT INFORMATION

SUN-FLEX® UltraCharge is an advanced long-range wireless charger designed to power Qi-compatible mobile devices through surfaces ranging from 12 to 30 mm thick. It charges any Qi-compatible device such as mobile phones, headphones smart watches etc. Install it discreetly underneath desks or tables made of non-metallic materials such as wood, glass or marble without the need for drilling holes etc. Ideal for use in offices, hotels, homes and public spaces.

Enjoy the convenience of wireless charging with a clean, cable-free setup without drilling!
