LEITZ®

NEW

Warmth and Comfort, Wherever You Are

When you're cold, it can be harder to relax, concentrate and stay productive. Leitz iComfi brings personal warmth and everyday comfort together, helping you create your own comfort zone without heating the whole room.

From working at home, in the office to relaxing outdoors, iComfi provides targeted warmth wherever you need it.

Leitz iComfi Heated Ergonomic Seat Cushion

Combines personalised warmth with IGR-certified ergonomic support. Three heat settings (35°-50°) provide adjustable warmth, while contoured foam supports healthy posture and improves pelvic alignment. Non-slip base provides stability and washable cover ensures hygiene. USB-C power bank compatible (not included)*, with up to 5 hours of cordless comfort and 2-hour automatic shut-off for safety.

450 x 360 x 70 mm (WxHXD)	dark grey	51920089

Leitz iComfi Heated Seat Cushion

Provides personalised warmth and comfort wherever you sit. Three heat settings (35°-50°) and supportive foam enhance comfort, while a non-slip base provides stability and washable cover ensures hygiene. USB-C power bank compatible (not included)*, with up to 5 hours of cordless comfort and 2-hour automatic shut-off for safety.

360 x 360 x 50 mm (WxHXD)	dark grey	51910089

Leitz iComfi Heated Seat Cover

Provides personalised warmth and comfort across the seat and back. Three heat settings (35°-50°) and soft surface enhance comfort, while a non-slip base provides stability and wipeable cover ensures hygiene. USB-C power bank compatible (not included)*, with up to 5 hours of cordless comfort and 2-hour automatic shut-off for safety.

1280 x 420 x 20 mm (WxHXD)	dark grey	51940089

Leitz iComfi Heated Foot-Rest

Provides warmth and IGR-certified ergonomic support for a comfortable workspace. Three heat settings (40°-55°) and fast warm-up keep feet cosy, while the heated foot pocket provides comfort and rocking mode encourages gentle leg movement. Non-slip base provides stability and washable cover ensures hygiene. Mains powered, with 2-hour automatic shut-off for safety.

410 x 280 x 120 mm (WxHXD)	dark grey	51900089

*Powered by USB-C power bank. Recommended 15–20W.
